## THE ALABAMA CAMPAIGN.

Struggle of Morgan and Johnston for Senatorial Nomination.

MONTGOMERY, Ala., April 12.—With tomorrow night the last speeches of the senatorial campaign will be delivered and Saturday the people will nominate a candidate for the United States senate to succeed Senator Morgan.

There are only two candidates, Senator Morgan and Governor Johnston, but the campaign has been one of the fiercest fought in the history of the state.

The friends of each candidate are confident their favorite will be successful, but the more conservative of both predict a close vote.

Governor Johnston has made a strong canvass of the state during the past few days, while Morgan has been stumped every county in the west of his climate. The people are thoroughly worked up and a hot vote is predicted.

## DEATH OF EBENEZER BALL.

He Was Nearest Living Relative of George Washington.

WASHINGTON, April 12.—Ebenezer Ball, the nearest surviving relative of George Washington, died at his residence in this city early this morning. He was 84 years of age, and unmarried. Mr. Ball bore a striking resemblance to General Washington and it is said his photographs have been mistaken for reproductions of portraits of the first president.

Mr. Ball was born in London City, Va., but early in life went west as a pioneer and was at one time a scout and Indian fighter in the army. He came to Washington about 80 years ago and engaged in trade, during the last years of his life, conducting by special permission a tobacco stand in the pension office.
